It is believed in Rome that the points at issue between the Vatican and the United States Government regarding Church property and the religious orders in the Philippines are on the point of settlement. Spain is said to have protested to the Pope against the threatened confiscation of the property of religious orders, and to have received such an emphatic reply that the request is not likely to be renewed. Archbishop CHAPPELLE is in Rome and Cardinal GIBBONS will soon be there.

UNDER the caption, "Who can answer?" The Louisville Post puts these "incongruous" questions—

"Who furnished the \$200 put there for the appearance of Barber Weaver in the Scott County Court?"

"Why was only \$200 required in so serious a felony case, where the evidence of guilt was so conclusive?"

"Was not a reasonable presumption that Weaver's relatives, and such a bond meant his disappearance?"

"Is it reasonable to suppose that an itinerant barber could raise \$200 without substantial assistance?"

"Who gave him this assistance?"

"What was the motive of this help to a man who had sworn falsely against the life of his fellowman?"

"Why has no action been taken to find and bring to justice a man who practiced a fraud on the prosecution in the Powers case, where the prosecution was seeking honestly to find the guilty man?"

"Mr. ROBERT FRANKLIN will not permit this palpable shielding of a most despicable criminal to go unrebuked, even by word or action. He has publicly pledged himself to a vigorous prosecution of WEAVER, and he must redeem that pledge by finding the men who put up the money for WEAVER."

The sixth annual Council of the Episcopal Church, Diocese of Lexington, will convene in St. John's Church in Versailles tomorrow.

It appears that the suicide of Mark Smith, colored, at Washington—particulars of which appeared in Saturday's *Exposition*—was a premeditated affair. Some days previously he approached an acquaintance who was digging a grave and remarked, "The next one you dig will be for me." It is said that he had been threatened with a "thrashing" at the hands of another party, and this is thought to have inspired the rash act.

HILARIOUS HILARITY.

The Cincinnati Sunday Excursionists Have a Fighting Good Time.

Just as the New South was landing at the wharf yesterday afternoon, having on board several hundred Cincinnati toughs of various colors and sexes, the bad whisky broke out like the smallpox.

There were three well-defined fights in about thirteen seconds, and it was funnier than a whole zoo of monkeys. An officer grabbed two belligerents and all three fell pell-mell down a stairway from the hurricane to the boiler deck, but the officer held to his men like death to a sick darter, and they were hustled down stairs and back in the deck-room.

Quiet was finally restored, the staging lowered, and some three hundred men, women and others departed, their places being taken by an equal number of Mayville folk who made the run to Manchester.

Returning at 8 o'clock the boat swapped the Mayville party for the Cincinnati gang and proceeded on her way to the Queen City on the Rhine.

THIRTIETH CENTURY MOVEMENT—ITS AIMS AND RESULTS.

Rev. W. F. Taylor of the M. E. Church, South, preached on the above subject yesterday morning, and gave some facts of general interest. The four leading churches of the Methodist Church were requested to raise \$27,500,000, and have secured to the present \$17,500,000 of the amount. The speaker urged co-operation, and the amount that this was above all a voluntary thing offering. No Nation has been blessed as ours. We are the richest country in the world. Russia's wealth is \$25,000,000,000, Germany has \$32,000,000,000, France has \$42,000,000,000, the United Kingdom \$47,000,000,000, while the United States has \$100,000,000,000. No country has grown as ours. In 1890 our wealth was \$20,000,000,000, in 1870, \$25,000,000,000, in 1880, \$45,000,000,000, in 1890, \$65,000,000,000, more than \$100,000,000,000. The Methodist Church has had a marvelous growth in the country. In 1890 there were 287 Ministers and 65,000 members. There are now 38,000 Ministers, more than 600,000 members and a property value of \$250,000,000. We should be grateful that when the South was impoverished the Vandermils made possible to the Church the University bearing their name. To it they have given \$1,000,000. More than 400 Ministers and 20 Missionaries have gone from its halls, besides hundreds of graduates to other walks.

This movement emphasizes distinctly Christian education. Calvin said "This is Putting Christ at the Center and Making Him Yelt to the Circumference." Thomas Arnold said "It is to train for Eternity—the Head for the Highest Truth and the Heart to Love the Highest Good." Even Huxley said, "Any System that Trains only the Intellect will Make a Fine Crop of Scoundrels." In this way the successful forgers, counterfeiters and defrauders. The Churches of the country have been true to their trust. Of the first 119 colleges in the land only had a distinctively denominational origin. Recent statistics show that of the 415 colleges we claim 316 are supported by the Churches. Of the 79,000 students, 38,000 are Christians. Of 2,000 students in ten leading colleges of Kentucky 59 per cent. are Christians. There are 15,000,000 pupils in public schools and 364,000 teachers. The Churches should see that these teachers are Christians even if the schools remain secular.

To be prepared for the new century the Church must educate. The Greek youth in his oath of allegiance pledged himself "To transmit his native land, with its institutions, system of education and people, not worse but better than it was committed to him." We have a glorious heritage. What shall we give to posterity? Do not owe to every boy and girl the best chance in the struggle of life? Only one-tenth of 1 per cent. of the boys in the land get a college education. Out of this number come 59 per cent. of those who fill the positions of highest honor and greatest emoluments. Some succeed without an education, but they succeed in spite of their disabilities, and how much greater would be their success with proper training. The Church must educate for her own preservation. An intelligent laity will never be held by an ignorant Ministry. The missionary field especially demands thoroughly equipped men and women. The idolatry of the age is the worship of Mammon. Christian education, through liberal gifts to this cause, will do much to destroy it. Methodism, born in a University, must not prove recalcitrant to her trust.

TAKEN AWAY.

Fleming County Prisoner Stripped Yesterday to Covington.

That Flemingsburg "mob"—which appears to exist only in the minds of simpletons and other sensational newspaper correspondents—will not find Charles Gaskins in Maysville—when it comes. Yesterday afternoon Chief Donovan and officer Harry Ort took him to Covington for "safe keeping." Gaskins, it will be remembered, is charged with killing James Ryan, and upon his arrest at Charleston, W. Va., he was brought here, waived examination and was placed in the Maysville Jail.

His departure for Covington is not a source of regret by any means; but he was in about as much danger from a "mob" as he is of breaking into New York's 400.

PLEASED WITH HIS TRIP.

Mr. George H. Owens Writes Entertainingly of His Journey.

Mr. George H. Owens, who left Maysville a few days ago, favors THE LEDGER with a short but interesting sketch of his journey to Texas:

DALLAS, TEX., May 14, 1891.
My Dear Friend Tom:—Nature is at her best now. Through Indiana and Illinois to Missouri the sun shines on a pretty portion of our fair land. St. Louis surely is making rapid strides to the fore. The proverbial "hammer and saw" are not hard, being supplanted by the riveting machinery on steel structures that are being built by the dozen. Instead of the piles of joints, rafters, and beams which we were wont to see as essential in great buildings we behold the tiny little panting engines hoisting steel shapes to their places, which some fortune that could readily be imagined the ribs or frames of Oregon.

En route through Arkansas I was eased of one pain with which I have been afflicted, namely, the scarcity of timber. Along our way there was nothing but timber, most of it second growth, however. There are yet several very large lumber mills which I learn can each on an average load thirty cars daily. I was impressed by one thing I have never heard mentioned of that Arkansas country—the numerous mounds which could be likened to blisters on the surface of the level country. They resemble the tumuli with which we are so familiar in the Ohio Valley, not so large nor high, however, but very numerous and thickly distributed. Where these blisters are most numerous is in the vicinity of Hot Springs. GEORGE.

An Open Letter.

We desire to say that our business since January 1st has passed the mark anticipated. We wish to be frank; therefore we are not attempting to talk to business people and put it in the form of a polished essay. The advantage of having merchandise different from your competitors is apparent, provided that the retailer is known to be reliable. Does not a good deal of advertising appear to you as though the advertisers were indulging too freely in Fine Words? Most of them seem to say something that means nothing. Names are invented for goods that have no bearing whatever to the materials; turned and twisted until they are no longer relevant, all of which is done to tone the product, because the product hasn't enough of it. Fine feathers make fine birds, but fine words do not make fine goods. We are strong believers in advertising because it is a good thing, but advertising doesn't pay unless constructed on a proper basis, and that is to plainly tell people what you have to sell and sell it as low as is consistent with legitimate business methods. Our spring importation of Dress Goods, White Goods, Carpets, Mattings and Housekeeping Goods generally is complete. Come and learn prices, which will be found to be as cheap as the cheapest, quality considered. Respectfully,
GEORGE COX & SON.
